Find the route on the map that is nearest to where you are and where you want to go. Black dots on the map indicate bus stops and white dots identify scheduled time points. Select the appropriate schedule with the same color and number as the route you want to ride.

- Find the departure location closest to where you will be boarding.
- Locate the time you want to leave and find your arrival time.

Repeat these steps, as needed, to reach your destination.

How to Ride

- Use the system map and schedules included in this guide to plan your trip, or call (530) 742-2877 for assistance.
- Arrive at the bus stop at least five minutes before your bus is scheduled to depart.
- Stand at the bus stop sign. Buses stop only at signed bus stops.
- Tap your Connect Card or have EXACT fare ready to drop in the farebox.

Complementary ADA Paratransit Service

In accordance with the Americans with Disabilities Act (ADA), Yuba-Sutter Transit offers specialized transportation comparable to the public bus service for individuals who are unable to ride fixed route transit due to a disabling condition. Service is available on a pre-arranged basis for any trip purpose within the designated service area (3/4-mile radius of a local fixed route). Each one-way trip on ADA paratransit is \$3 and some additional boarding assistance is available to those that need it.
