07/17/2026	Malissa Koogler	17-Jul-26	ammie	Driver is letting "grown ass man" horse play with a child on bus. Both were running around bus. Hitting eachother with backpacks Grown man was stepping over yellow line and flirting and getting in drivers face. She said it was horrible and she will not be riding her bus.	Unfounded-Reviewed video. No horse play. Grown man and child were not being disruptive.	4A	(1) Complaint	Resolved

07/17/2026	Megan Martin	17-Jul-26	samantha Aburto	Forced herself into lane, started cussing and making hand gestures.	Our driver had right of way. Spoke to driver to be careful even thou she had right of way. Driver did raise her hands and said what are you doing? No cussing.	MOD	(1) Complaint	Resolved
07/29/2026	Harpreet Kaur	29-Jul-26	Ziba Abdar	Hello, I would like to provide feedback regarding the extremely poor quality of the Yuba-Sutter call center's ride scheduling service. The rude female representative with heavy accent who handled my call had significant difficulty understanding and accurately recording the information I provided. I spelled my name slowly six separate times, yet she kept calling me "Hector," she could clearly hear that I am a woman, calling me Hector is ridiculous. which is completely unrelated to my actual name. The problems continued with my trip details. When I arrived for my scheduled pick up, I discovered that both my pickup and destination addresses had been entered incorrectly, despite the fact that I repeated each address three times during the call. I almost missed my ride because the driver had the wrong pickup locations, and I had to flag the vehicle down myself. (Thanks to the driver, she was wonderful.) I am a senior, these errors caused unnecessary stress and could have resulted in me missing an important doctor appointment as well as return ride. I hope you will review the quality of your call center's training and quality assurance procedures so that in the future we do not experience the same problems. Thank you for taking the time to review this feedback.	Downloaded audio of phone call. In review the issue was do to strong accents on both sides of the call. Neither were understanding each other. Another dispatcher took over the call to get the name correct. Dispatcher did not call her Hector. She said H as hector in trying to get the name. As for the address issue. I had to listen to the call a few time and I see how 460 plumas got put down instaed of 463 Plumas.	dispatch	(1) Complaint	Resolved
