FOR IMMEDIATE RELEASE

PG&E CONSTRUCTION PROJECT IMPACTS ON MCGOWAN PARK & RIDE LOT

JUNE 3, 2019, Marysville, CA - Please be aware that PG&E will be working on the steel power structures in the vicinity of the McGowan Park & Ride lot. Please be considerate and obey all signs and barriers that may be placed in the lot as PG&E needs this space to complete this phase of the project. In this phase of the project, foundations for new structures are being constructed. PG&E has committed to keeping the parking lot ingress and egress open during construction but parking spots along the south end of the lot may be blocked off for a few days this week.

We are in contact with PG&E and will keep you informed when the next phase of construction is scheduled to begin that may impact your use of the Park & Ride lot.

Please contact Adam Hansen at (530) 634-6880 or adam@yubasuttertransit.com with any questions. For general transit information visit our website at www.yubasuttertransit.com. ###
