Disposition of Positive Test:

Title	Assigned To	Opened Date	Customer	Description	Comments	Route#	Category	Status
09/02/2026	Unknown	02-Sep-26	unknown	Customer complaining that on schedule the 1st Mid Day is supposed to be at Plumnas Lake at 8:15am and it is always late.	Checked time for that day. Bus was running late due to R/R under crossing on B Street being blocked due to accident. Spoke with dispatch about the other days. We are usually late to Plumas lake due to time posted not allowing enough time between the other bus stops. And traffic flow.	1MID	(1) Complaint	Resolved
09/02/2026	Unknown	02-Sep-26	Elizabeth	This bus stop (YCGC) is full of homeless people. You can not sit in shelter or even get close. It is very dirty.	Between PD and supervisors we do our best to move the homeless passengers out of the bus stops. It is an on going issue at many bus stops in the area.	1A	(1) Complaint	Resolved
09/03/2026	Unknown	02-Sep-26	Christopher Mangu	Didn't get the bus #, but the driver was at N. Beale and Lindhurst ave. Driving very aggressively. This is what causes accidents and should be addressed with your drivers.	Reviewed videos of Route 1 and 4A. Could not see either driver driving aggressively.	1B	(1) Complaint	Resolved
09/18/2026	Deanna Howerton	18-Sep-26	Cristian Housley	Driver pulled away from bus stop before passenger could gather belongs (NBTC). Say has made multipule complaints with ne call back.	Pulled video. Driver sit at stop with door open. Passenger doesn't show signs they wanted her bus. She driver pulls away. Tried calling passenger twice with no response.	6	(1) Complaint	Resolved
09/18/2026	Debra Coe	18-Sep-26	Victoria	Driver is being biased or inconcitant about brakingdown carts VS strollers. When both are supposed to be broken down. Onlt asks strollers, even when is no baby in stroller.	Pulled video. Driver asks passeneger to fold stroller once she gets seated. Passeneger tells her you didn't make the guy with a cart to break down his stuff. Passeneger does finally sit down and comply. Driver was only stating policy. I spoke with driver about inforcing the policy across the board for carts and strollers.	3A	(1) Complaint	Resolved
09/21/2026	Pedro Pedrosso	21-Sep-26	Mary Cook	On Saturday, September 19th, at approximately 9:40 a.m., bus #3154 (I'm assuming route 4B as that was indicated below the bus number), which was barreling down Lindhurst Avenue, completely ignored the large yield sign on Lindhurst and nearly collided withme as I came around the corner on North Beale Rd. near Walmart. To avoid getting clipped, I had to speed up and hope I had enough room to keep from rear-ending the car ahead of me. It was by a hair's breadth that I managed to avoid the bus as it tried its best to ram into me. Where on earth are your drivers getting their training? If this is typical of their driving, then buses should have clearly displayed signage warning motorists: "BUS DOES NOT OBEY SPEED LIMITS OR TRAFFIC SIGNS." Are your drivers even minimally aware of the damage a bus can do—including to its occupants and the occupants of cars they clearly don't care if they ram into—as well as the liability involved when bus drivers flout speed limits and traffic signs? What kind of ongoing training do drivers receive? What kind of supervision? Supervisors need to start climbing on board, apparently, since the rest of us motorists aren't safe from whoever it is you are hiring.	Unable to pull video to vefify complaint. Spoke to driver about watching for on-coming traffic at that merge location.	4B	(1) Complaint	Resolved
