RE: Partial Parking Lot Closure in the McGowan Park & Ride Lot
(McGowan Parkway at Powerline Road)

Beginning Monday, March 2, 2020, PG&E will be closing off some of the parking stalls in the McGowan Park & Ride Lot on the corner of McGowan Parkway and Powerline Road in Olivehurst. This closure is required to allow safe completion of a portion of an ongoing transmission line project in the area. This closure is scheduled to be in place through Thursday, March 12, 2020.

For the duration of the closure, parking spaces along the western edge of the lot either facing or adjacent to Powerline Road will be closed. Please refer to the attached picture for the location of the affected parking stalls. PG&E has stated that “No Parking” signs and barricades will be posted in this area. The site entrance and exit as well as internal circulation will be functional throughout this period.

Please call the Yuba-Sutter Transit administrative office at (530) 634-6880 or send a note to info@yubasuttertransit.com if you have any questions.
