

Tell Us About Your Transit Needs

We want to know if bus, dial-a-ride, paratransit, or light rail services are meeting your needs. Your local transit operators and the regional transportation planning agency, the Sacramento Area Council of Governments, are looking for comments and suggestions that will help plan and improve transit services in Sacramento, Yolo, Yuba and Sutter counties. You can share your comments on transit services in the four counties in a number of ways:
