RE: Service to Gateway Oaks Stop to Resume

Yuba-Sutter Transit has received notice that the levee project requiring the closure of Garden Highway between Interstate 5 and Gateway Oaks Drive in Sacramento will be completed on Saturday, June 20, 2020. This will allow us to re-instate service to the stop at Gateway Oaks beginning on Monday, June 22nd via the 170 AM and 470 PM routes. Passengers will be able to resume use of that stop for service to the Caltrans District 3 headquarters on B Street in Marysville.

Suspension of the 399 AM, 599 AM and 370 AM routes and the 299 PM, 599 PM and 370 PM routes remains in effect due to COVID-19 requirements.

Please call our administrative office at (530) 634-6880 or send a note to info@yubasuttertransit.com if you have any questions.
