TIME: 4:00 p.m.

Board of Supervisors Chambers

The Yuba-Sutter Transit Board of Directors has set a hearing for the above date, place, and time to accept public comments on COVID-19 pandemic related service reductions. These emergency service cuts, which became effective on May 1, 2020, have since continued unchanged beyond the allowed one-year period without an opportunity for public comment. These cuts include a 50 percent reduction in Route 2 service with buses now operating every 60-minutes in each direction each weekday instead of 30-minutes as was previously operated and a 30 percent reduction in the number of peak-hour commuter schedules being operated each weekday (from 20 to 14) between Marysville/Yuba City and downtown Sacramento. If approved as proposed, Yuba-Sutter Transit will continue to operate this reduced level of service indefinitely.

Interested persons may submit testimony regarding the service reductions, either verbally or in writing, before or at the public hearing. Written testimony can be provided by mail to Yuba-Sutter Transit at 2100 B Street, Marysville, CA 95901; by e-mail to [info@yubasuttertransit.com](mailto:info@yubasuttertransit.com); or by FAX at (530) 634-6888. All written communication must be received either at or prior to the hearing to be considered. Verbal testimony can be provided in person at the hearing or by telephone at (530) 634-6880 prior to the hearing.
