CONNECT CARD

The new Connect Card is the easy way to pay transit fares. It is a plastic, reloadable smart card with an embedded computer chip that can store cash value and/or monthly passes for any regular or discounted fares. It's accepted by Yuba-Sutter Transit, Sacramento Regional Transit and seven other transit providers in the greater Sacramento area.

Visit **ConnectTransitCard.com** to get started. Once you initially order and load your full fare* Connect Card online, you'll receive it in the mail in 3 - 5 days. Just tap it on the Connect Card reader when you board any Yuba-Sutter Transit bus and reload as needed.

**Discount fare passengers must visit the Yuba-Sutter Transit office for their first Connect Card which will also become their new photo I.D. card for discount fare eligibility purposes.*

How to Use the Map and Schedules

Find the route on the map that is nearest to where you are and where you want to go. The bus stop locations are shown by green dots (•) along the route. Time points (those bus stops listed on the schedule above) are identified by white dots on the route map.

- Select the appropriate schedule with the same color and number as the route you want to ride.
- Find the departure location closest to where you will be boarding.
- Read down to find the time you want to leave.
- Read across to find your arrival time.

If you need to transfer to another route to reach your destination, repeat these steps for the second route.

How to Ride

- Use the system map and the schedules included in this guide to plan your trip, or call 530-742-2877 for trip planning assistance.
- Arrive at the bus stop at least five minutes before your bus is scheduled to depart.
- Stand at the bus stop sign. Buses stop only at signed bus stops.
- Tap your Connect Card, or have EXACT fare ready to drop in the farebox.
- Drivers do not carry change or accept checks.
- If you will need to transfer to another route, ask the driver for a transfer when you board.
- When you are about a block from your destination, let the driver know that you want to stop by pulling the bell cord on the wall next to your seat.
- When you are ready to return home, just repeat the process.

While on the Bus. Please Remember...

- There is no eating or drinking on the bus and smoking of any kind is prohibited on or within 20 feet of a transit vehicle or facility.
- Front seating areas are designated for persons with disabilities and those who use mobility aids such as wheelchairs or scooters.
- Personal items are limited to a size and number that can be reasonably carried on the bus in one trip and must remain under the rider's control at all times.
