## HUNDREDS OF PHOTO I.D. CARDS WILL EXPIRE DECEMBER 31<sup>ST</sup>

Are you still using an old Yuba-Sutter Transit non-electronic photo identification (ID) card as proof of eligibility for discount fares? Does it have an expiration date of December 31, 2019 or earlier? If so, it is time to replace it with a new Connect Card discount photo ID card.

Discount photo ID cards are issued to qualified seniors (age 65 and over), youth (ages 5 – 18) and persons with disabilities as proof of eligibility for discount fares and Dial-A-Ride service as applicable. Issued on a Connect Card electronic fare card, the new cards are valid for up to five years and they are FREE when exchanged for an expiring card. Hundreds of these cards will expire on December 31<sup>st</sup> and will not be accepted as proof of eligibility after a one-month grace period.

Photo ID cards are available only at the Yuba-Sutter Transit office at 2100 B Street in Marysville on weekdays from 8:00 a.m. to noon and 1:00 p.m. to 5:00 p.m.

## NEW GENERAL MANAGER RENICK HOUSE & OTHER INTRODUCTIONS

Storer Transit Systems assumed responsibility for the daily operation of the Yuba-Sutter Transit system effective Monday, September 30<sup>th</sup>. Like many small public transit systems, Yuba-Sutter Transit has always contracted with private companies for the actual provision of our service. While the nature of these public-private partnerships varies from system to system, here Storer provides all operating and maintenance personnel (drivers, dispatchers, mechanics and related supervisory staff) while Yuba-Sutter Transit provides the vehicles, facilities and administrative oversight.

A 67-year old family-owned and operated company based in Modesto, California, Storer is now looking forward to becoming part of the Yuba-Sutter community. Company President and Chief Executive Officer, Donald Storer, has noted that Yuba-Sutter Transit and the Yuba-Sutter area are a perfect match for his company because of a demonstrated a commitment to a quality service including a modern fleet of buses and an excellent operating facility.

After a nationwide search, Storer is pleased to introduce Renick House as the new Contract General Manager. A lifelong Yuba-Sutter resident and Wheatland High School graduate, Renick joins us after nearly ten years with the Union Pacific Railroad, most recently as Manager of Equipment Operations for a 22-state region. Having grown up using Yuba-Sutter Transit, he is excited to now serve the agency in his new capacity. However, what he is really looking forward to is being home with his family every night after so many years on the road.

In addition, Storer is also pleased to promote three carry-over employees from the former service contractor to new positions. Gerardo Guzman, who has served Yuba-Sutter Transit since 2012 most recently as Shop Foreman, is now the new Maintenance Manager; Gilbert Rivera, a Yuba-Sutter Transit driver for several years, has been named as the new Human Resources & Office Manager; and, long-time driver and dispatcher Bill Harris has been named the Lead Dispatcher. Arthur Leonard, our longest tenured contract employee with nearly 35 years of experience will continue to serve as Operations Manager while Ernie Harvey and Filemon Huerta continue as Road Supervisors. Of course, nearly all the former contractor's drivers and all their maintenance technicians continue to serve Yuba-Sutter Transit only now as Storer employees.

Please join us in extending a hearty welcome to Storer Transit Systems, Renick House and his entire local team. We are looking forward to Storer's fresh perspective and new ideas to further develop our programs and services into the future
