FOR IMMEDIATE RELEASE

ANNUAL UNMET TRANSIT NEEDS HEARING

October 19, 2020, Marysville, CA – The Sacramento Area Council of Governments (SACOG), the regional transportation planning agency for Sacramento, Sutter, Yolo and Yuba Counties, holds a series of public hearings each year to determine if there are unmet transit needs that are reasonable to meet in the region. Input from these hearings are used to make decisions regarding the allocation of transportation funding in each local jurisdiction.

This year's hearing for the Yuba-Sutter area will be held at 2:00 p.m. on Tuesday, October 27th. Due to the COVID-19 pandemic, the hearing will be held entirely on-line. Information on how to access the hearing is available at www.sacog.org/unmet.

Comments can be provided either during the hearing, by email at transitneeds@sacog.org, by text/phone at (916) 426-3799 or through the on-line comment form at www.sacog.org/unmet. Comments must be received by November 23rd.

For more information, call Yuba-Sutter Transit at (530) 634-6880. ###
